CleanSweep App Promotion

Have you seen such a sight? When it rains, plastic pollution like this eventually ends up in local streams and rivers, leading to the ocean. The Schuylkill Action Network (SAN) has developed a new app to help citizens report trash hotspots and find local cleanups! Become a part of the Schuylkill Scrub cleanup initiative, and check out the CleanSweep app here: SchuylkillCleanSweep.org

Last year, over 20,000 volunteers helped to remove almost a million pounds of trash, including 338 tires, from the Schuylkill River during the Schuylkill Scrub! Alone we are small, but together we are mighty! Download the CleanSweep app to get involved in the 2019 Schuylkill Scrub by reporting a trash hotspot, finding a local cleanup, or registering your group: SchuylkillCleanSweep.org
