

The Schuykill Action Network (SAN) is committed to connecting people with recreational opportunities throughout the Schuykill Watershed and engaging recreational users in becoming better stewards to the environment.

enhance partnerships, communication, and collaboration to promote stewardship and restoration along the Schuykill River.

## WHAT WE DO

a network of local watershed and conservation organizations, businesses, academics, recreators, water suppliers, and government agencies.

## WHO WE ARE

# WHAT CAN YOU DO?

## GET INVOLVED!

- Visit the Schuykill River
- Support local parks, trails, and nature centers
- Find an event near you

## TAKE ACTION!

- Volunteer
- Plant native trees, plants, and flowers
- Install a rain barrel
- Leave no trace
- Recycle or use reusable items such as bags, water bottles, and containers
- Use products with natural ingredients
- Clean up after your pet
- Spread the word
